For the 2nd Time, Lightbeam Appears on the Annual Inc. 5000 List,
Ranking No. 1807

IRVING, TX – August 20, 2019 – Inc. Magazine revealed that Lightbeam Health Solutions, the leader in end-to-end population health management solutions and services, is on its annual Inc. 5000 list for the second year in a row. Every year, Inc. recognizes the fastest-growing private companies in America. Microsoft, Dell, Domino's Pizza, Pandora, Timberland, LinkedIn, Yelp, Zillow, and many other well-known names gained their first national exposure as honorees on the Inc. 5000 list.

"To be included on the Inc. 5000 list is a privilege and of all companies that made this elite list, only one in four have made it twice," said Pat Cline, CEO of Lightbeam Health Solutions. "It's also a testament to the work we perform for healthcare providers across the nation."

Not only are the companies on the 2019 Inc. 5000 list exceedingly competitive within their markets, but this year's list demonstrates staggering growth compared to prior years. The 2019 Inc. 5000 achieved an astounding three-year average growth of 454 percent and a median rate of 157 percent. The Inc. 5000's aggregate revenue was \$237.7 billion in 2018, accounting for 1,216,308 jobs over the past three years.

Complete results of the Inc. 5000, including company profiles and an interactive database that can be sorted by industry, region, and other criteria can be found at www.inc.com/inc5000.

"The companies on this year's Inc. 5000 have followed so many different paths to success," says Inc. editor in chief James Ledbetter. "There's no single course you can follow or investment you can take that will guarantee this kind of spectacular growth. But what they have in common is persistence and seizing opportunities."

The annual Inc. 5000 event honoring the companies on the list will be held on October 10 to 12, 2019 at the JW Marriott Desert Ridge Resort and Spa, in Phoenix, Arizona.
