

Lightbeam Health Solutions Featured on Inc. 5000 List for the 3rd Consecutive Year

IRVING, TX – August 25, 2020 – *Inc.* magazine recently revealed that Lightbeam Health Solutions is featured for the third time on its annual Inc. 5000 list, the most prestigious ranking of the nation’s fastest-growing private companies. The list represents a unique look at the most successful companies within the American economy’s most dynamic segment—its independent small businesses. Intuit, Zappos, Under Armour, Microsoft, Patagonia, and many other well-known names gained their first national exposure as honorees on the Inc. 5000.

“Recognition from *Inc. Magazine* and a feature on their 5000 list for the third year in a row is a great achievement as a company,” says Lightbeam CEO, Patrick Cline. “This is an impactful win and only showcases how our entire team steps up, puts our clients first, and continually rises to the challenge as an industry-leading healthcare IT company.”

Not only have the companies on the 2020 Inc. 5000 been highly competitive within their markets, but the list as a whole shows staggering growth compared with prior lists as well. The 2020 Inc. 5000 achieved an incredible three-year average growth of over 500 percent and a median rate of 165 percent. The Inc. 5000’s aggregate revenue was \$209 billion in 2019, accounting for over 1 million jobs over the past three years. Lightbeam has achieved revenue growth of 119 percent between 2018, 2019, and 2020 to earn its place for the third time.

“The companies on this year’s Inc. 5000 come from nearly every realm of business,” says *Inc.* editor-in-chief Scott Omelianuk. “From health and software to media and hospitality, the 2020 list proves that no matter the sector, incredible growth is based on the foundations of tenacity and opportunism.”

Complete results of the Inc. 5000, including company profiles and an interactive database that can be sorted by industry, region, and other criteria, can be found at www.inc.com/inc5000. The top 500 companies are also being featured in the September issue of *Inc.*, available on newsstands August 12.

The annual Inc. 5000 event honoring companies on the 2020 list will be held virtually from October 23 to 27, 2020. As always, speakers will include some of the greatest innovators and business leaders of our generation.

Methodology

The 2020 Inc. 5000 is ranked according to percentage revenue growth when comparing 2016 and 2019. To qualify, companies must have been founded and generating revenue by March 31, 2016. They had to be U.S.-based, privately held, for-profit, and independent—not subsidiaries or divisions of other companies—as of December 31, 2019. (Since then, several companies on the list have gone public or been acquired.) The minimum revenue required for 2016 is \$100,000; the minimum for 2019 is \$2 million. As always, *Inc.* reserves the right to decline applicants for subjective reasons. Companies on the Inc. 500 are featured in *Inc.*'s September issue. They represent the top tier of the Inc. 5000, which can be found at <http://www.inc.com/inc5000>.
