

Lightbeam Health Solutions Recognized by *The Financial Times* as One of the Americas' Fastest Growing Companies in 2023

Lightbeam's industry-leading population health management solutions and services ranked in the technology category with a 77.3% absolute growth rate from 2018 to 2021

IRVING, TX – March 29, 2023 – [Lightbeam Health Solutions](#), the leader in population health enablement solutions and services, has been recognized on *The Financial Times* list of the Americas' Fastest Growing Companies in 2023. This prestigious award is presented by *The Financial Times* and Statista Inc., the world-leading statistics portal and industry-ranking provider. The award's recipients were announced on March 28th, 2023 and can currently be viewed on [The Financial Times website](#).

The Americas' Fastest Growing Companies 2023 list ranks the top 500 companies in the Americas that have achieved the highest compound annual growth in revenue between 2018 and 2021. The data was collected via desk research in official sources, including publicly available earning presentations, investor relations websites, and annual reports. Across 20 countries, over 7,000 public companies were assessed, and the top-performing 500 companies were recognized.

"We are honored to be included on The Americas' Fastest Growing Companies 2023 list," said Pat Cline, CEO of Lightbeam Health Solutions. "This esteemed recognition validates our commitment to deliver consistent, scalable, and reliable solutions and services for more than 170,000 providers, empowering healthcare leaders to improve outcomes for over 42 million patients across the United States."
